

ADKAR Questions for Leaders

For 1-on-1s or team meetings

Awareness

- **Nature of the Change:**
 - "What is the nature of this change (what will be changing)?"
 - "How will this change impact your area, you, and your group?"
 - "What are the risks to the organization if no change is made?"
- **Understanding the Change:**
 - "Can you explain why this change is happening? If yes, please explain."
 - "What have you heard about the reasons for this change?"
 - "How do you think this change aligns with our organizational goals?"
- **Clarity of Information:**
 - "Do you feel you have enough information about the change? What do you have/need?"
 - "Are there any aspects of the change that are unclear to you?"
 - "What sources of information have you found most helpful in understanding this change?"

Desire

- **Personal Impact:**
 - "How do you feel about this change?"
 - "What concerns or excites you regarding this change?"
 - "How do you think this change will impact your daily work?"
- **Motivation:**
 - "What would make you more supportive of this change?"
 - "What benefits of this change are you looking forward to?"
 - "What, if anything, would make you resistant to this change?"
- **Commitment:**
 - "What is your current level of commitment for this change?"
 - "What would increase your commitment to this change?"
 - "What actions are you committed to taking to support and drive the change forward?"

ADKAR Questions for Leaders

For 1-on-1s or team meetings

Knowledge

- **Understanding How to Change:**
 - "What will be required of you to adopt this change?"
 - "What training or information do you think you need to successfully implement this change?"
 - "What resources or training have been provided to you so far? How useful have they been?"
- **Skill Requirements:**
 - "What new skills or knowledge areas you feel you need to develop?"
 - "What do you need to feel prepared to make the necessary changes in your role?"
 - "What additional knowledge do you think would help you feel more confident in this change?"

Ability

- **Practical Application:**
 - "Have you had the opportunity to practice or apply the new skills required by this change? Can you describe your experience?"
 - "What challenges have you faced in trying to implement the change?"
 - "What successes have you experienced so far in applying the new skills or processes?"
- **Support and Resources:**
 - "Do you feel you have the resources and support needed to make this change?"
 - "What additional support would help you feel more capable of implementing the change?"
 - "Are there any obstacles or barriers that you think might hinder your ability to make this change? If yes, what are they?"

ADKAR Questions for Leaders

For 1-on-1s or team meetings

Reinforcement

- **Sustaining the Change:**
 - "What measures are in place to ensure that this change is sustained over time?"
 - "How confident are you that the organization will continue to support this change?"
 - "What can be done to ensure that the change becomes a permanent part of our processes?"
- **Feedback and Recognition:**
 - "What feedback have you received on your progress with this change?"
 - "What kind of recognition or reinforcement would help you maintain the new behaviors?"
 - "How do you prefer to receive feedback and recognition for your efforts?"
